This writ petition is filed by the Manager of a Self Financing Teacher Training Institution. The prayer is that the 1st respondent shall be directed to sponsor students to the 50% merit quota. It is submitted that despite lapse of time students have not been allotted till date.

2. When this case came up for orders the learned Govt. Pleader, on instructions, submits that except in Kollam District in the other districts some more students are available to be allotted and that such allotment will be done within two weeks. Similar situation was available in the previous years and writ petitions filed for identical reliefs have been disposed of by this Court. Ext. P5 is one of the judgment rendered in such cases. In my view this case can also be disposed of granting similar reliefs.

3. Taking into account the submissions made as above I dispose of this writ petition directing that

the 1st respondent shall allot students on or before 26-10-2007. If the 1st respondent is unable to allot students as above, the institution will be free to make selection and admit students to the merit quota also.

4. It is clarified that if students are available the Deputy Director will be at liberty to make allotment irrespective of any subject wise categorization maintained.

ANTONY DOMINIC
JUDGE
